Mr. Leo A. Bennin,

Supt., Cheyenne & Arapaho School.

My dear Mr. Bennin:

Your annual report for 1920, shows a population of 1916 Indians under your supervision, and yet, according to the files of this Office, no census for the year has been received.

In this connection your attention is invited to Office letters of July 15 and 21, and August 7, again calling for this report. Section 4 of the Act of July 4, 1894 (28 Stat. L. 38), required Superintendents in charge of Indian reservations to submit annually a census of all Indians under their jurisdiction.

In view of these facts, and of the reports you have received a list of (arranged alphabetically by families), of all Indians under your jurisdiction, on forms 2-138, for the fiscal year ended June 30, 1920, and which you are not later than November 8, 1920.

Very truly yours,

Alfred A. Bennett
